PLEASE NOTES:

A deposit is due with the enrollment confirmation and is applied to the last month's tuition.

Regular payments are due on the first of the month for the following month starting August 1st (*this covers September tuition*).

Payment plans for tuition and deposits are available.

Aftercare (3:00-5:30) is at its regular daily rate. If aid funds after regular day aid requests have been granted, we will consider up to 30% aid for aftercare slots.

Based on your child's age and the number of days you're applying for, and your need for aftercare (or not), how much financial aid does your family need in order to make Ashmont Nursery School accessible?

Note that we use an honor system and ask that everyone apply for only the aid you need.

Any other notes or comments? (E.g. If I don't get financial aid, I would like 2 days instead of 4?)
